RE: Letter of Resignation

Greetings Evangelist Pastor Barbara,

At this time, I wish to resign from my positions at the Lighthouse Inc., Church. It is my opinion that the vision that God has given you for the Lighthouse Inc., Church is no longer a vision that I share. I want your vision to go forth and be successful. If I were to stay, I would not be able to serve with a willing heart and therefore I believe that it is best for everyone involved that I resign. I depart giving you the honor that you deserve. I cherish all the things that you have taught me over the years. I will remember with fondness the deep love for God that you carry.

I consider this matter to be private between you and I. I will not share this information with any Lighthouse Inc., Church members, past or present. If asked I will cite the above as my conditions for resignation. Any confidential information that has been shared with me over the years and up to the present shall remain and be treated as confidential forever. It will not ever be shared by me. To this regard, we have not shared any information with Kierstyn or Andrew about our departure. We have given them the ability to have a relationship with you on their own as they see fit. Our respect for you dictates that you are due this honor.

I will make arrangements to turn my cell phone, ordination card, check book, printer, printer ink, and paper over to Alan. I will stop by the bank and sign the paperwork for removing me from the bank account tomorrow, May 20, 2025. I will make our final deposit tomorrow. There are electronic files that I will place on a hard drive and give to Alan as well. It will take some time to upload those. I should have this done by the end of the week. I will generate a spreadsheet with all the access codes and programs that I have used so that the ownership can be transferred to whomever you deem the next to carry that responsibility.

Should you need to reach me for anything please feel free to contact me at the email above or this phone number 302.

It has been an honor and a privilege serving you.

Love,
