

My Intervention via Ann Harris, Just let her (Evangelist/Pastor Barbara Lynch) go!

I was the recipient of a facebook intervention via Ann Harris (fka Elder Quail)

The post and comments have been screenshot and attached throughout this article.

It's a great day to be alive in Jesus. Yes. Hallelujah. Well, I want to share something with you all. I have sinned and I have made a great, great, great error. Well according to Ann Harris, Tinisha S. Quail, and the rest of the confused Body of Christ. Kathryn and I have sinned because we will not stop talking about what has went on at the Lighthouse Inc., Church Cult. There is confusion and assertion by all that Kathryn and I are bitter and because of this bitterness we are striking back out of vengeance for Evangelist/Pastor Barbara Lynch. They believe that we are doing this because we hate her and want to see her go down. They believe that we are not waiting on God to take her out, we are trying to take her out ourselves. They believe that our failure to stop talking about and sharing our experiences is harming Evangelist/Pastor Barbara Lynch. They believe that because we are talking about our experiences and sharing information about what is currently going on at the Cult is wrong and hurtful to Kathryn and myself. Ann Harris & Tinisha Quail are upset because they feel we are bitter and refusing to acknowledge our bitterness. None of these notions are true.

I have known and anticipated that some in the Body of Christ would be upset with Kathryn and myself for continuously shedding light on the darkness that is going on and our continued exposing of the things that have been going on in the cult of the Lighthouse Inc., Church. An intervention was performed on me via facebook with Ann Harris and Tinisha Quail. They finally, instead of beating around the bush like everybody else in the Body of Christ has done, told me what they really thought. I'm going to share their notions here because it has become very clear to me that no matter what I or Kathryn say, and I've said this from the beginning, Ann Harris, Tinisha Quail and the Body of Christ automatically ascribe bitterness, hatred, anger, ill-intent from me and Kathryn towards Evangelist/Pastor Barbara Lynch. Ann Harris and Tinisha Quail spoke for the Body of Christ. I let them speak because I wanted them to say what they really wanted to say.

Here we go. Here is a screenshot of the post.

My Intervention via Ann Harris, Just let her (Evangelist/Pastor Barbara Lynch) go!

This is the post. I want you to see it because I'm not hiding from Ann Harris or Tinisha Quail. I'm not afraid of anyone saying whatever they want to say. Because to me, this does not change the fact that Evangelist/Pastor Barbara Lynch is who she is. I've said this from the beginning, "You can do an ad-hominem attack against me and against Kathryn, challenge our character, challenge our intent. It still does not take away anything from what Evangelist/Pastor Barbara Lynch has done with the cult of the Lighthouse Inc. Church.

Point of interest: +++Ann Harris and Tinisha Quail have been following our posts, which we have said in the middle of the posts that if you don't want to hear what's going on, stop listening to it. You know these posts aren't just for the repeat followers, the posts are for other people who are new or searching out information on the Lighthouse Inc., Church.+++

Ann Harris and Tinisha Quail feel that they're trying to help us heal and their method for helping us heal consists of the method of denying that a problem exists. This method of "Helping us heal" is saying, "It's over with, it's done. and you never talk about the situation ever again."

They believe that we are placing a time limit upon Evangelist/Pastor Barbara Lynch's repentance. They also said that we are using natural things to bring out spiritual revelation. I have no idea what that means. The overall theme of Ann Harris' post is that Kathryn and I are trying to kill Evangelist/Pastor Barbara Lynch.

We have no such plan in place but we give you permission to continue to believe what you want to believe. Please go through our posts and show me in those posts where we have said what you are implying? We have not done anything to sow discord. It is Evangelist/Pastor Barbara Lynch that is sowing discord by continuously lying and distorting the truth about us and the reason why we left

the Lighthouse Inc., Church cult. We have shed light on the things that Evangelist/Pastor Barbara Lynch has done. This post by Ann Harris was intended to bait me and Kathryn into a trap whereby Ann Harris and Tinisha Quail could demonstrate to the world that their method for correcting us and healing us comes through ignoring what the cult has done. They have taken our situation and made a recipe for success when it comes to dealing with false teachers and false prophets in the Body of Christ. I knew where this was going and I purposely stepped into Ann Harris' trap and sprung it. I let the intervention proceed. I wanted to see if they wanted to help with a real solution or if they wanted to be a part of the problem. I wanted to see if they would be honest about their real intentions. They did not let me down. Once I stepped into their trap they proceeded to work me over with their understanding of the truth. It quickly became clear that they were a part of the larger problem in the Body of Christ. They were blaming and shaming the victim and not addressing the perpetrator. They became honest and they ignored the truth of what I shared.

Ann Harris said that she beseeches me to preach Jesus and Him crucified. This is her version of just ignore what has happened. What is implied by Ann Harris is that preaching about Jesus will make my pain go away. Preaching about Jesus will cause the situation to turn for me and Kathryn. Preaching about Jesus will cause false teaching and false prophetic from going forth at the cult of the Lighthouse Inc., Church. This notion is not true.

Ann Harris shared that we (Kathryn and I) need to make it easy on ourselves because every negative word that we take out of context we are held accountable for... I know. I didn't think she would be this confused but there is an assumption here by Ann Harris that is amazing to say the least. She assumes that everything that Kathryn and I have said about Evangelist/Pastor Barbara

My Intervention via Ann Harris, Just let her (Evangelist/Pastor Barbara Lynch) go!

Christopher Gore

Lynch and her cult was taken out of context. She assumes that Kathryn and I are wrong because Evangelist/Pastor Barbara did not react the way that we wanted her to react. This is a fallacy on the part of Ann Harris, Tinisha Quail, and the rest of the confused Body of Christ. This fallacy highlights an important piece of information that is key to understanding why everyone is confused about what has gone on with Evangelist/Pastor Barbara Lynch and the cult of the Lighthouse Inc., Church. Kathryn and I have not been believed this but it is clear that everyone believes that Evangelist/Pastor Barbara did right and did nothing wrong at all.

I felt like this is what everyone thought but to have it confirmed by Ann Harris and Tinisha Quail was eye-opening. What is the context that can be misunderstood about Evangelist/Pastor Barbara Lynch having a relationship with one of her sheep whom she was supposed to be helping get his footing in Christ? What is the context that can be misunderstood about a troubled young man seeking guidance and mentorship from an older believer in the Lord? This relationship was at best supposed to yield this young man becoming stronger in Christ and possibly pursuing a ministerial walk with the Lord. This relationship was built on lies and secrecy. Lies and secrecy can never be the foundation to a ministry or a relationship that God blesses. The lack of hearing Kathryn and I's analysis and consistent breakdown of the facts of this case shows a very clear message to me. Anyone who has been in a situation where power can be misused in the Church will learn that the protectors of the system will do everything in their power to make sure that the system does not go down. This makes the Lighthouse Inc., Church and other churches like it an unsafe place for those who are vulnerable.

My Intervention via Ann Harris, Just let her (Evangelist/Pastor Barbara Lynch) go!

Christopher Gore

Kathryn and I worked very hard at putting the truth into context so that it would be easy to see that there's something wrong with the voice that Evangelist/Pastor Barbara Lynch is listening to. It should have been clear that it is not the voice of the true God. This has been the only thing that we have been trying to demonstrate. The hypocrisy that is evident. Evangelist/Pastor Barbara Lynch's consistent abuse and misuse of prophecy to meet her own needs. Her prophecies have been used to manipulate and control the vulnerable. You can believe what you want to believe. I can't stop you from doing so but I'm so glad that Ann Harris put this out here because it clearly exposes the systemic abuse that is in the Church system at large in Delaware. This explains to me why the Churches in Delaware cannot work together for the benefit of the Body of Christ. Ann Harris and Tinisha Quail are not regular members of the Lighthouse Inc., Church cult but this doesn't matter. Their protection of the system of Church illustrates the destructive nature that exists in abusive Church systems. It doesn't matter if you are a regular member or whether you fellowship at a particular house of God. If you are on one mind and one accord with the wrong voice, you will seek to defend and protect those who do wrong. If the person in the system is seeking to protect that system, they will wholeheartedly fight to defend it. Ann Harris and Tinisha Quail are fighting to defend this system.

Only God knows the deep things of a man's heart. Prayer is the answer. Let God fight your battles. We can be our own worst enemies because our own evil imaginations.” Ann Harris asserted that this situation could be fixed with more prayer and she says this, Wow! Ann Harris asserted that Kathryn and I have evil imaginations. Ann Harris asserted that Kathryn and I are our own worst enemies because we are shedding light on the darkness that is occurring at the Lighthouse Inc. Church cult. I stipulate that Ann Harris and Tinisha Quail do not

My Intervention via Ann Harris, Just let her (Evangelist/Pastor Barbara Lynch) go!

Christopher Gore

understand what has really went on behind the scenes. They are right prayer is the answer. This is my prayer, “God expose everything that Evangelist/Pastor Barbara Lynch and the cult of the Lighthouse Inc., Church has done to hurt the Body of Christ. Expose it all. Bring it to light so that there can be true repentance and accountability. God, please do not allow another vulnerable sheep to be hurt by this cult and its leader. In Jesus’ name, AMEN!” I wonder if Ann Harris and Tinisha Quail and the rest of the Body of Christ can agree with this prayer? They probably will not. Selah!

Ann Harris continues with this thought, “People have weaknesses. We all do. Let's pray for one another. Let's help one another make heaven. This is very righteous of Ann Harris, Tinisha Quail, and the rest of the Body of Christ to believe but this is a misapplication of Galatians 6: 1 – 5. What Evangelist/Pastor Barbara Lynch does not fall in the category of Galatians 6.

“Galatians 6: 1 – 5 (New King James Version) 6 Brethren, if a man is overtaken in any trespass, you who are spiritual restore such a one in a spirit of gentleness, considering yourself lest you also be tempted. 2 Bear one another’s burdens, and so fulfill the law of Christ. 3 For if anyone thinks himself to be something, when he is nothing, he deceives himself. 4 But let each one examine his own work, and then he will have rejoicing in himself alone, and not in another. 5 For each one shall bear his own load.

This is not as simple as saying the Evangelist/Pastor Barbara Lynch has a weakness. Is it a weakness to throw the Bible out of the Church? Is it a weakness to burn your pulpit? Is it a weakness to lead many of your sheep astray? {Listen at Evangelist/Pastor Barbara Lynch’s own words – [click here](#)} Is it a weakness to teach anything that is not sound doctrine according to the Word of God. I dare say not. And when you look at the various scandals that are occurring all over the Body of Christ now. Evil people are devouring the sheep and the Body of

Christopher Gore

Christ is standing back saying how long before we can restore them back to ministry? No, they need to be set down. {Roys Report with Mike Winger (2/19/2026) – [click here](#)}. Here is the bottom line for me. Evangelist/Pastor Barbara has not made a full confession. Without that full confession there can be no full repentance. If you there is no full repentance, she needs to be marked as someone to be avoided.

1 Timothy 5: 19 – 22 (New King James Version) “Do not receive an accusation against an elder except from two or three witnesses. Those who are sinning rebuke in the presence of all, that the rest also may fear. I charge you before God and the Lord Jesus Christ and the elect angels that you observe these things without prejudice, doing nothing with partiality. Do not lay hands on anyone hastily, nor share in other people’s sins; keep yourself pure.

1 Corinthians 5: 1 – 5 (New King James Version)
“5 It is actually reported that there is sexual immorality among you, and such sexual immorality as is not even named among the Gentiles—that a man has his father’s wife! 2 And you are puffed up, and have not rather mourned, that he who has done this deed might be taken away from among you. 3 For I indeed, as absent in body but present in spirit, have already judged (as though I were present) him who has so done this deed. 4 In the name of our Lord Jesus Christ, when you are gathered together, along with my spirit, with the power of our Lord Jesus Christ, 5 deliver such a one to Satan for the destruction of the flesh, that his spirit may be saved in the day of the Lord Jesus.”

I know you all mean well but you are not rightly dividing the Word of God. You can keep telling us that we are wrong. We are ok with that. Ann Harris goes on to say.

Note... We have all types of spirits in all churches. We don't kill them. By talking about them, we help to deliver them from their torment as Jesus did with a big heart.” If you go by the mindset of Ann Harris, because every church has spirits you don’t kill them. I agree. But what the Body of Christ wants is to

My Intervention via Ann Harris, Just let her (Evangelist/Pastor Barbara Lynch) go!

Christopher Gore

not discipline anyone either. They want to be called son or daughter but they don't want to be disciplined like a son or a daughter. We see this in the Church today. No one can say anything to anyone. Ann Harris' mindset is that you don't deal with the situation, the problem that these spirits bring by talking about it. You ignore it, you cover it up, you put it in a place and a position where you just wait for God. Boom. He (God's) gonna zap it. And God's gonna deal with it. That's Ann Harris's interpretation of what is supposed to happen. Ann is partially right because God is judging Evangelist/Pastor Barbara Lynch and the cult that she created. She will be held accountable for all that she has done.

I went on ahead and replied because I knew that this was directed at me and Kathryn.

Christopher A. Gore

This is a great post. I agree 100%. You should add these scriptures to your post as well. We need to pick sides and stand with the righteous. It's very important in this hour to do what this post and these scriptures below say. Great word. Keep em coming!

Matthew 23: 25 - 28, 31 (NKJV)

25 "Woe to you, scribes and Pharisees, hypocrites! For you cleanse the outside of the cup and dish, but inside they are full of extortion and [a]self-indulgence. 26 Blind Pharisee, first cleanse the inside of the cup and dish, that the outside of them may be clean also. 27 "Woe to you, scribes and Pharisees, hypocrites! For you are like whitewashed tombs which indeed appear beautiful outwardly, but inside are full of dead men's bones and all uncleanness. 28 Even so you also outwardly appear righteous to men, but inside you are full of hypocrisy and lawlessness. 31 "Therefore you are witnesses against yourselves that you are sons of those who murdered the prophets.

Galatians 2: 11 - 14 (NKJV)

11 Now when Peter had come to Antioch, I withstood him to his face, because he was to be blamed; 12 for before certain men came from James, he would eat with the Gentiles; but when they came, he withdrew and separated himself, fearing those who were of the circumcision. 13 And the rest of the Jews also played the hypocrite with him, so that even Barnabas was carried away with their hypocrisy.

14 But when I saw that they were not straightforward about the truth of the gospel, I said to Peter before them all, "If you, being a Jew, live in the manner of Gentiles and not as the Jews, why do you compel Gentiles to live as Jews?"

1 Timothy 5: 19 - 20 (NKJV)

19 Do not receive an accusation against an elder except from two or three witnesses. 20 Those who are sinning rebuke in the presence of all, that the rest also may fear.

James 3: 1 (NKJV)

3 My brethren, let not many of you become teachers, knowing that we shall receive a stricter judgment.

Matthew 18: 15 - 17 (NKJV)

15 "Moreover if your brother sins against you, go and tell him his fault between you and him alone. If he hears you, you have gained your brother. 16 But if he will not hear, take with you one or two more, that 'by the mouth of two or three witnesses every word may be established.' 17 And if he refuses to hear them, tell it to the church. But if he refuses even to hear the church, let him be to you like a heathen and a tax collector.

I sent this directly to Ann Harris, as a response to her. Her post and the message that was intended for me was really for her to realize that her (Ann Harris) cup is dirty just like Evangelist/Pastor Barbara Lynch's cup is dirty. If Ann Harris is standing in agreement with someone who is a cult leader, if Ann Harris is standing in agreement with someone who is willfully in sin, then Ann Harris is just as bad as the Sadducees and the Pharisees. This mindset that Ann Harris, Tinisha Quail and the Body of Christ has ss further proof they are against what God wants to do.

Paul withstood Peter to his face. He didn't go in the corner and tell Peter that he was in sin. He didn't go in a corner and hide up under a rug in prayer saying that, "I'm just going to wait for God to address this, and I hope one day that God does it. Paul went to Peter and stood in his face and said, "Peter you suck. You need to get out of sin. You need to stop being a hypocrite." So, what is wrong with us? What is wrong with me telling Evangelist/Pastor Barbara Lynch, "You need to get out of sin and you need to stop." Here's the scripture. Here's proof, Ann Harris that this is what's supposed to be done.

Ann Harris and Tinisha Quail are telling us that we do not have the ability to follow I Timothy 5... We (Kathryn and I) can't do that. We (Kathryn and I) shouldn't do it. We have two or three witnesses of the sins of Evangelist/Pastor Barbara Lynch. She has not confessed. Whatever repentance she has done is void of sincerity because there was no confession. The Bible says in the scriptures that I provided that we have the responsibility to rebuke in the presence of all so the rest of the Church may fear. This is the scripture. Ann Harris doesn't want you to follow the Scripture. If Evangelist/Pastor Barbara Lynch didn't want to receive the stricter judgment, she shouldn't have become a teacher. Ann Harris, if you don't want to receive the stricter judgment, you need to stop teaching.

Ann Harris decides to write back. She on her intervention mission, I really don't think she read anything that I said.

Ann Harris said she wasn't going to go back and forth, but she did go back and forth. The accusation that is leveled against me now is that I am judging Evangelist/Pastor Barbara Lynch. The accusation that is leveled against me now is that I'm not praying enough for her. Ann Harris' thought process is that if I pray, God will do a deliverance on Evangelist/Pastor Barbara. This is just

foolishness. This is Ann Harris' attempt and saving Evangelist/Pastor Barbara Lynch and doing an intervention on me. I wrote back.

Christopher A. Gore

We agree again... You win. Preach and teach the Gospel. The Word of God, the good parts of the Gospel and what some people call the "bad" parts of the Gospel. The scriptures give a complete picture and tell the whole story. We cannot cherry pick what we like. We cannot preach just what is nice. We need to preach all of it because my heart is desperately wicked (Jeremiah 17: 9)

You are so right that we need to preach the Word because the scriptures tell us about ourselves. The scriptures tell us about corrupt leaders.

Jeremiah 17: 9 (Amplified Bible)

"The heart is deceitful above all things and it is extremely sick; Who can understand it fully and know its secret motives?"

Ann Harris cherry picks what she likes. Tinisha Quail cherry picks what she likes. I used the same technique that she used on me. She feigned to humble herself and make it look like she was trying to judge herself. In her mind this gave her the upper hand because she was judging herself, she could say what she wanted to say. I countered with the same tactic; I did the same thing.

Hebrews 4: 12 (Amplified Bible)

12 For the word of God is living and active and full of power [making it operative, energizing, and effective]. It is sharper than any two-edged sword, penetrating as far as the division of the soul and spirit [the completeness of a person], and of both joints and marrow [the deepest parts of our nature], exposing and judging the very thoughts and intentions of the heart.

2 Timothy 3: 16 (Amplified Bible)

16 All Scripture is God-breathed [given by divine inspiration] and is profitable for instruction, for conviction [of sin], for correction [of error and restoration to obedience], for training in righteousness [learning to live in conformity to God's will, both publicly and privately—behaving honorably with personal integrity and moral courage];

We must take the scriptures and apply them to our lives. Our leaders need to be held accountable.

Ezekiel 34:1-10

Amplified Bible

Prophecy against the Shepherds of Israel

34 And the word of the Lord came to me, saying, 2 "Son of man, prophesy against the shepherds of Israel. Prophesy and say to them, the [spiritual] shepherds, 'Thus says the Lord God, "Woe (judgment is coming) to the [spiritual] shepherds of Israel who have been feeding themselves! Should not the shepherds feed the flock? 3 You eat the fat [the choicest of meat], and clothe yourselves with the wool, you slaughter the best of the livestock, but you do not feed the flock. 4 You have not strengthened those who are weak, you have not healed the sick, you have not bandaged the crippled, you have not brought back those gone astray, you have not looked for the lost; but you have ruled them with force and violence. 5 They were scattered because there was no shepherd, and when they were scattered they became food for all the predators of the field. 6 My flock wandered through all the mountains and on every high hill; My flock was scattered over all the face of the earth and no one searched or sought them.'"

7 Therefore, you [spiritual] shepherds, hear the word of the Lord: 8 "As I live," says the Lord God, "certainly because My flock has become prey, My flock has even become food for every predator of the field for lack of a shepherd, and My shepherds did not search for My flock, but rather the shepherds fed themselves and did not feed My flock; 9 therefore, you [spiritual] shepherds, hear the word of the Lord: 10 'Thus says the Lord God, "Behold, I am against the shepherds, and I will demand My flock from them and make them stop tending the flock, so that the shepherds cannot feed themselves anymore. I will rescue My flock from their mouth, so that they will not be food for them.'"

Ann Harris was frustrated and send it reinforcements. She must have prayed and got some people to comment. I was not altering my position. I really wanted to know where Ann Harris and Tinisha Quail were going. Ann Harris came back with this...

I knew this was a stalling tactic because that's all she said to those very important scriptures. Again, I don't believe she read them or anything that I said. Ann Harris was looking for her angle, her kill shot. Ann Harris continues to ignore the fact that Evangelist/Pastor Barbara Lynch and the cult of the Lighthouse Inc., Church is not right. Ann Harris and Tinisha Quail's important message was that Kathryn and I need to forgive. We need to forgive because it's for our own healing. It's for our own benefit. There is an assumption on their part. Can you tell me what that assumption is? I know what it is. Ann Harris reinforcements arrive and enter Tinisha Quail. Tinisha Quail decides that she is going to step up and share her knowledge so she can show her approval and support of what Ann Harris has said. It's the cosign of all cosigns.

Tinisha S. Quail

Very well said Elder **Ann Harris** we can't be stuck or bound by other folks stuff nor fight battles that don't even belong to us! We have to be careful of who we put our mouth on touching not mine anointed and doing my prophets No harm! Again ask David! The thing that folk must realize is ... that person can get it right with Christ, get Free and make Heaven and the other folk still sitting back blaming, upset and bitter, looking at others faults, pointing fingers and judging and on their way to Hell and for what? Is it worth it? This thing is deeper than the natural eyes can see Ephesians 6:12 says it so well! Amen ... Now is not the time to cast stones ... We are living in the last days and have to worry about our own soul salvation in Jesus Mighty Name!

The message here is from Ann via Tinisha is this... This battle is not Kathryn's nor is it my battle. It's not our battle to expose and bring to light the things that are going on with Evangelist/Pastor Barbara Lynch. Interesting... Tinisha is accusing me of being bitter. She's accusing me of missing the repentive, solemn nature of Evangelist/Pastor Barbara Lynch. I am not sure when this occurred maybe Tinisha and Ann went and prayed with Evangelist/Pastor Barbara Lynch and a full confession was made. Tinisha is 100% sure that I'm refusing to see the possibility that Evangelist/Pastor Barbara Lynch has already changed. And woe

unto you, Christopher and Kathryn, for missing the deep change that is in her heart that's taking place. The repentive nature that has taken place from the heart of Evangelist/Pastor Barbara Lynch. Woe unto you, because you don't see. You're bitter and you're in unforgiveness. This is what Ann Harris, Tinisha Quail and the Body of Christ are saying to me and Kathryn. I never knew that Kathryn and I cast stones at Evangelist/Pastor Barbara Lynch. When did we cast stones Tinisha? So, it was no official. The intervention was reaching its climax and the "bombshell information of my bitterness and Kathryn's bitterness had been unearthed by Ann Harris and her team. I got what I wanted... full disclosure.

There really wasn't anything more that I could say because Ann Harris, Tinisha Quail, and the Body of Christ just are over it. So, I feigned a retreat which got me to my final piece that I knew they wanted to say but it took them this long to get the courage to say it. I believe at the direction of Ann Harris Tinisha came in with more of Ann Harris' truth. {I wish you could see my smile}. I continued to let the intervention go forward.

What truth do you want to tell, Tinisha? What truth are you withholding? This is supposed to be an intervention. Don't hold back. I'm telling the truth. Kathryn's telling the truth. What truth is there only one truth? Is there only one section in the Bible that says forgive? What truth are you saying that Kathryn and I are denying? And out it comes the religious fake love that the Body of Christ whips out and dowses away any common sense at all. I'm on your side. I'm supporting you. They still haven't really said what they really think. They still haven't said what they really want. I offer up one more thought...

Christopher A. Gore

Tinisha S. Quail thank you, I understand what is going on. I am happy that this is not about winning. I see where the Body of Christ is at.. the Body of Christ cannot embrace hard truths nor can they have hard conversations. It's not ok, but who am I? If the plain scriptures cannot convince the Body of Christ to do what is right. I have no power greater than the scriptures. I can provide the Body of Christ in our area truth but I cannot make the Body of Christ embrace that truth. If the Body of Christ is content to stay on the milk of the Word that just means there is more meat to spread amongst the rest of us. Truth Will Wait... I will wait. Truth cannot be silenced or shutdown because the Body of Christ refuses to hear it. The Holy Spirit or the Spirit of Truth will not force Himself upon the Body of Christ. This is the exact reason why Ichabod has been etched across the foreheads of many in the Body of Christ. I will continue to tell the truth, live the truth, walk in the truth, and embrace the truth. Judgment has begun in God's house. It's not my judgment. It's His. This is the exact reason why the Word says in the last days the very Elect will be deceived. Is it possible in anyway that the surety you and others have about this situation could be from a wrong viewpoint? Is it possible that you could be defending an idea/person that Ichabod has been declared over? Is it possible that what you are doing is going against truth? Consider this honestly.

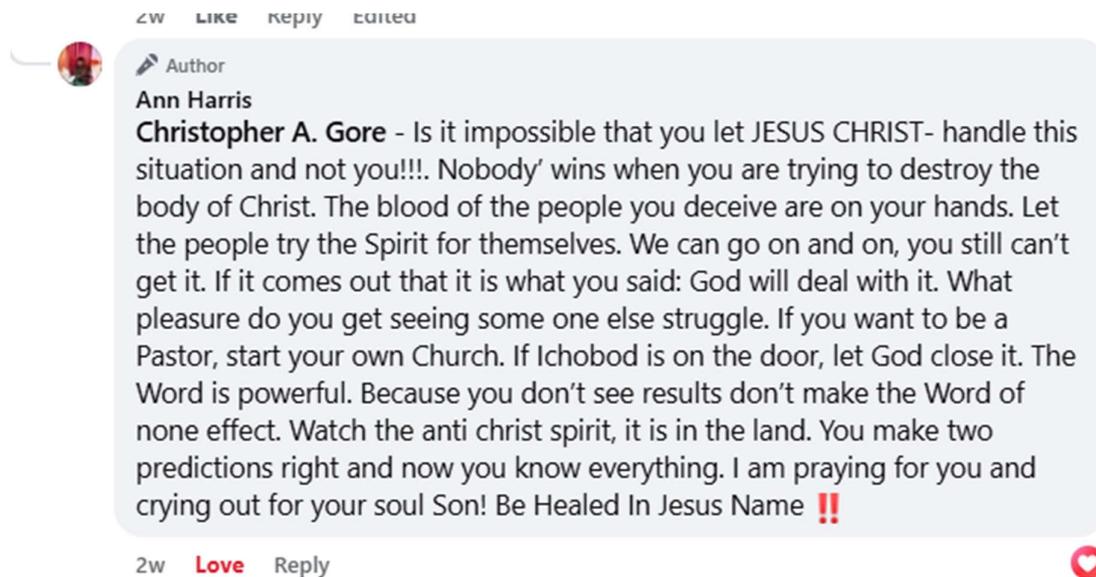

The truth is I understand Ann Harris, Tinisha Tanisha Quail and the rest of the Body of Christ who think the way that they do are deeply, deeply confused. You're confused because you look at all of the good that Evangelist/Pastor Barbara Lynch has done in your life. You look at all of the good that she has done

over the years, but you're refusing to comprehend that Evangelist/Pastor Barbara Lynch has fallen into sin. You're refusing to comprehend this. I get it. I understand. This is why I said I understand what's going on. I understand why Ann Harris; Tinisha Quail and the Body of Christ came swooping in to take up her side and to lift Evangelist/Pastor Barbara Lynch's arms and hold her up in the spirit. Alas my moment of clarity has come. **You all are on the wrong side. You're on the wrong side.** Ann Harris comes back in with the prevailing thought that the Body of Christ carries deeply within. I still don't think that she has understood this exchange but she must complete her assignment to bring deliverance to my soul.

Ann Harris did not attempt to really engage in a dialogue. She didn't hear me or Kathryn and I know based upon my experiences if other victims come to her they will not be heard properly either. This is characteristic of a systemic problem with the Church. Ann Harris believes that I am trying to destroy the Body of Christ with the truth about Evangelist/Pastor Barbara Lynch and the cult that she runs. She let's me know in this post that she believes that, **“I am deceiving**

people and the blood of these people will be on my hands.” I wonder if Ann Harris has ever really read her Bible or does, she even know what it says in the Bible. She instructs me to **let people try the spirit of Evangelist/Pastor Barbara Lynch for themselves.** This is contrary to scripture. She assumes that **I am deriving pleasure from seeing Evangelist/Pastor Barbara Lynch struggle.** I do not want Evangelist/Pastor Barbara Lynch to make her home in Hell. Nor do I want all the good that she has done to be thrown away but what does the Word of God say?

Ezekiel 18: 19 – 32 (New King James Version) Turn and Live

““Yet you say, ‘Why should the son not bear the guilt of the father?’ Because the son has done what is lawful and right, and has kept all My statutes and observed them, he shall surely live. The soul who sins shall die. The son shall not bear the guilt of the father, nor the father bear the guilt of the son. The righteousness of the righteous shall be upon himself, and the wickedness of the wicked shall be upon himself.

“But if a wicked man turns from all his sins which he has committed, keeps all My statutes, and does what is lawful and right, he shall surely live; he shall not die. None of the transgressions which he has committed shall be remembered against him; because of the righteousness which he has done, he shall live. Do I have any pleasure at all that the wicked should die?” says the Lord God, “and not that he should turn from his ways and live?

“But when a righteous man turns away from his righteousness and commits iniquity, and does according to all the abominations that the wicked man does, shall he live? All the righteousness which he has done shall not be remembered; because of the unfaithfulness of which he is guilty and the sin which he has committed, because of them he shall die.

“Yet you say, ‘The way of the Lord is not fair.’ Hear now, O house of Israel, is it not My way which is fair, and your ways which are not fair? When a righteous man turns away from his righteousness, commits iniquity, and dies in it, it is because of the iniquity which he has done that he dies. Again, when a wicked man turns away from the wickedness

which he committed, and does what is lawful and right, he preserves himself alive. Because he considers and turns away from all the transgressions which he committed, he shall surely live; he shall not die. Yet the house of Israel says, 'The way of the Lord is not fair.' O house of Israel, is it not My ways which are fair, and your ways which are not fair?

“Therefore I will judge you, O house of Israel, every one according to his ways,” says the Lord God. “Repent, and turn from all your transgressions, so that iniquity will not be your ruin. Cast away from you all the transgressions which you have committed, and get yourselves a new heart and a new spirit. For why should you die, O house of Israel? For I have no pleasure in the death of one who dies,” says the Lord God. “Therefore turn and live!””

You can argue with the Word of God all that you want. I will not be standing with you. Ann Harris goes on to say, **“If you want to be a Pastor, start your own church.”** {I wish that you could see my smile} Ann Harris thinks that I want Evangelist/Pastor Barbara Lynch’s church. Even though Ann Harris has called me son several times in this exchange; would she really be saying this to me if I was her son? Ann Harris says, **“If Ichabod is on the door, let God close it.”** Where did this come from Ann Harris? Look back at my posts. Not one time have Kathryn or I said anything about Ichabod. Not one time. She goes on to say some other things that are just way out in left field and really do not apply this situation, but I replied with this.

I know that she didn't read it because she comes back with this...

Success. Ann Harris worked until she could pull this faux deliverance movie. {I really wish you all could see my smile! Better yet, I wish Ann Harris could have seen my smile when she replied with this.} Shaking my head at the religious spirit. The religious spirit is so empty of any substance. It's just mind blowing. I closed with this.

I see with greater clarity where the Body of Christ is at. The Body of Christ cannot embrace truths, hard truths, nor can they have hard conversations. Ann Harris and Tinisha Quail can't have this hard conversation because that means that there's something wrong with the way that they've been thinking all of these years. It's not okay. But who am I if the plain scriptures cannot convince the Body of Christ to do what is right? I have no power greater than the Scriptures. I can provide the Body of Christ sources of truth but I cannot make the Body of Christ embrace that truth. If the Body of Christ is content to stay on the milk of the Word, that just means that there's more meat to spread amongst the rest of us. And I meant this towards Ann Harris and Tinisha Quail. If you guys want to stay on the milk by all means stay on it. There's nothing that says that you have to be on the meat. There's nothing that says that you have to do the deeper things of God. If that's

what you Choose. That's fine. I don't choose that. I choose to be on meat. There's other people in the Body of Christ who choose to be on meat. Truth will wait. I will wait.

There is going to come a day when Ann Harris and Tinisha Quail realize that Kathryn and I are right. There is going to come a day when the rest of the Body of Christ who are crucifying Kathryn and myself will come to realize that we were right. Evangelist/Pastor Barbara Lynch has fell off. Truth cannot be silenced or shut down because the Body of Christ refuses to hear it. The Holy Spirit or the Spirit of truth will not force Himself upon the Body of Christ. This is the exact reason why Ichabod has been etched across the foreheads of many in the Body of Christ. I question if Ichabod has been etched across Ann Harris' and Tinisha Quail's heads, as well as Evangelist/Pastor Barbara Lynch's head.

I will continue to tell the truth, live the truth, walk in the truth and embrace the truth. Judgment has begun in God's house. It's not my judgment, it's His. This is the exact reason why the Word says in the last days, the very elect will be deceived. There is deception that is going on. That deception is in that confusion that's in the rest of the Body of Christ. I get it. I have said from the very beginning. I get it. I understand. Is it possible in any way that the surety Ann Harris, Tinisha Quail and others have about this situation could be from a wrong viewpoint? And the surety is that Evangelist/Pastor Barbara Lynch is going to make a change, fully confess and then fully repent?

Is it possible that you could be defending an idea, a person that Ichabod has been declared over? Is it possible that what you're doing is going against truth? Consider this honestly. I'm still hopeful that real, true dialogue is going to take place. Real understanding is going to take place.

You can say whatever you want to say about me and Kathryn. None of that changes what is going on in the cult of the Lighthouse Inc., Church. You can say I'm bitter. You can say I'm angry. You can say that I want my own church. You can say that I'm fat. You can say that I'm black. You can say that I'm ugly. You can say that my nose is big, my feet stink. Whatever it is that you desire to say, say it. But it does not take away from the fact that this woman is wrong for what she has done. It doesn't take that away.

In Conclusion I want to share a song that has become dear to my heart. This woman has become one of my favorite artists. The song that she wrote is called you cannot argue with demons. This is so true as you can see evidence in my intervention. Her name is Sheena Taylor. And I will post the link [click here](https://youtu.be/8MUG8OJzc34?si=KRWH96_vuuJRS9sG) so that you can see and listen to the song itself. But I want to read the lyrics to you.

You Can't Argue With Demons – Sheena Taylor
(https://youtu.be/8MUG8OJzc34?si=KRWH96_vuuJRS9sG)

I try to speak in love but you twist every word.
You can't reason with a spirit that doesn't want to be heard.
Arguing with darkness don't bring no life.
They not listening to understand they just want to fight.
So, I lay it at your feet, Lord. I won't step in the devil's court.
If it ain't tuned to Heaven's sound, I'm done going round and round

That's why I told them they won. They won because there's no point in trying to have a discussion with someone who's already determined that they know the answer. And the answer is I'm bitter.

You can't argue with demons. They ain't hearing the truth.
Their ears are closed, their hearts got something to lose.
I won't waste my breath, I won't trade my peace
Because the spirit in me got authority
And I can't compete with jezebel singing aloud.
They got power but it's not heaven sounds.
So I'll keep my eyes on you. Your glory breaks through the room.

They can try to pull me in with fire and pride
But my worship hits different when it's purified.
It's not a battle of notes, it's a battle of souls.
You can also sing anointing, but only heaven holds.

So, I let your spirit fight, Your voice cuts through the night.
I'm gonna let confusion win because your power drowns out sin.

I let you win. I'm going to let confusion win because God, your power drowns
out their sin.

You can't argue with demons they ain't hearing the truth.
Their ears are closed, their hearts got something to lose
I won't waste my breath I won't trade my peace
Because the spirit in me's got authority
And I can't compete with jezebel singing loud
They got power but it's not heavens sound.
So I'll keep my eyes on you. Your glory breaks through the room

I let your fire speak and I know that this is what makes people so angry because
they feel the fire. They feel the anointing in what we're saying?

I let your fire speak, Let your spirit move.
Because flesh and blood can't fight what only you can do.
I won't clap back. I won't match their tone.
I'll stay in your presence. That's my home.

No, I won't waste my breath. Your spirit fights the rest.
When the war gets loud, your love drowns out the crowd.

Ann Harris, Tinisha Quail... I don't know what to tell you other than the fact that
I'm not stopping. Thank you for your concern.
