{I have the word/phrase "prophetic utterances" in quotes to denote what is being said is not truly prophetic!}

I find what I am about to share with you will further illustrate the deeper problems that exist in the American Church in general and this will especially illustrate what goes on at the cult of the Lighthouse Inc., Church which remains under the leadership of Evangelist/Pastor Barbara Lynch.

I have shared on many occasions my concern that the voice that Evangelist/Pastor Barbara Lynch is listening to has led her astray in many ways. {[Click here](#) for more on this} If this was just her being led astray I would feel sorry for her but not only is she leading herself astray, but she also is leading the Body of Christ astray by putting forth "prophetic utterances" that are not only from the wrong spirit, but they also are confused theologically. She posted a word today that had me scratching my head. Here is the word.

Fresh Word – **Greater Glory Missed** – March 3, 2026    Evangelist Pastor Barbara

**Hurry, little ones, hurry to the cross. Bind yourselves to My Son Jesus and do not wander away. A significant event is upon the church. Many will not survive this hour. Those who**

refused to obey My Word will stand in total awe as they realize they have missed this Great outpouring of My Greater Glory.

Remnant Ones, do not allow the things of this world pull you out of My Arms. The enemy has plans for your demise; it is entirely up to you whether his plans prevail. Guard your hearts, little one, guard your hearts. Be obedient to My still small voice. The things of this world that are pulling on you, reject them at all costs. This is the time the enemy can either win or lose in your heart.

The enemy thinks he has triumphed over you. He laid one hurt after another upon you, until he thinks one more hurt, one more disappointment will crush you. YOU MUST PROVE HIM WRONG!

## **My thoughts...**

*I feel that with just a little discernment that you can see that she is not really hearing from God. This is an emotional word that is tied to how she feels about a concept that has been taught in "prophetic" circles for years that is a complete lie. That concept is that God is going bring an outpouring on the American Church and it is going to be a time of revival like nothing ever seen before. These "prophetic" people have made up a movement that is not scriptural. There is no scripture that talks about God bringing a "Greater glory" to the Earth. I could be wrong but please share these scriptures in the comment section so that I can make a correction. Long story short her words or prophecies are not prophetic.*

She said, "**Hurry, little ones, hurry to the cross. Bind yourselves to My Son Jesus and do not wander away.**" *If you are in a willing relationship with Jesus why would you wander away? If you want to be with Jesus, if you have committed your life to Him why would the Holy Spirit need to say this? This feels like confusion and prophetic manipulation. Why do we need to hurry to the Cross? Are the promises and benefits of the Cross going to expire? Is the Cross going away?*

She said, "**A significant event is upon the Church. Many will not survive this hour.**" *What does this mean? Does she mean a power outage, earthquake, tornado, terrorist attack... what is the event? If you are a friend of God why did God give a vague unclear word? This is on the same level as Chuck Pierce, Cindy Jacobs, & James Goll... something is going to happen somewhere and it is going to be significant... she may as well had said that Jesus was coming back on February 30. What does this mean? Absolutely nothing. It just stirs up emotion.*

*If this is a warning shouldn't the warning cause people to be alerted to something so that they can survive that something? There is no hope in this word from Evangelist/Pastor Barbara Lynch. It's amazing to me how hopeless this word is. It is amazing to me that she seems to be talking to 3 different sets of people all in the same paragraph. Set #1 - People who are so unstable that God cannot trust them to stay with Him. These same people don't love God just by Himself. They have to be scolded into a relationship with Jesus. Set #2 - Those who love*

# Prophetic Confusion – Evangelist/Pastor Barbara Lynch

The Gore's

*God but will not survive this hour. Set #3 - People who refused to obey "God's" word who will never get another opportunity to experience this **"Great outpouring of My Greater Glory."** Even more crazy is which one of these sets of people are the Remnant Ones? I don't know which one of these sets of people are considered to be "Remnant Ones". It might be Set #1 but I can't call it. If you can send me a comment maybe you can see it.*

She goes on to say, **"Remnant Ones, do not allow the things of this world to pull you out of My arms."** *If you were a part of the remnant wouldn't that mean that you were committed to God? Wouldn't that mean that you were gonna stay and do everything in your power to serve Him? To hear this makes me think that the Remnant Ones are on the verge of quitting God. It makes me think that you are not strong enough and don't know the Word of God enough to stand as Ephesians 6 says to stand. Again, this makes no biblical sense to me. This is not even scriptural.*

*This word really goes off the deep end when she says the following, **"The enemy has plans for your demise, it is entirely up to you whether his plans prevail."** So, God is not going to help the Remnant Ones. God is not going to bring them comfort or aid in the Spirit realm. Nope, I got it. God is not going to fight the battle for His Remnant Ones. That's it. You as a Remnant One are now abandoned. Phase 2 of this line really makes me angry because it sounds like the enemy is greater than God. It feels like the God is about to have His backside handed to Him by the enemy. It feels like God is just a poor weakling who cannot take care of Himself or His people. I don't know about you but my God is not a weakling and He always protects Me. I could be really wrong here, but I believe that this "prophetic utterance" is not from the real God that you and I serve.*

She goes on to say, **"Guard your hearts, little one, guard your hearts. Be obedient to My still small voice."** *This denotes to me that those in the remnant have not learned to trust or obey God. This sounds like something nice to say, "Be obedient, guard your hearts." I guess God is not able to keep His people.*

She goes on to say, **"The things of this world that are pulling on you, reject them at all costs"**. *If this were true, I would venture to say that the Remnant Ones she is talking about here are not really in a relationship with God. I don't believe that you can be in the Remnant and easily pulled away from God. This is just contrary to the devotion that is depicted in the Bible of the true followers of Christ. This line is bologna as well.*

She goes on to say, **"This is the time the enemy can either win or lose in your heart. The enemy thinks he has triumphed over you."** *This is telling me that God cannot defeat His enemies. This is telling me that the anointing will not keep you. This is telling me that the God that gave her this word is weak. This is telling me that Jesus did not defeat death, hell, and the grave when He took captivity captive. This is not a true prophetic word.*

She goes on to say, **"He laid one hurt after another upon you, until he thinks one more hurt, one more disappointment will crush you. YOU MUST PROVE HIM WRONG!"** *For the enemy to lay one hurt upon another upon another means to me that God permitted this or the enemy once again is stronger than God. The enemy is not. The Word of God says this...*

# Prophetic Confusion – Evangelist/Pastor Barbara Lynch

Christopher Gore

1 Corinthians 10: 12 - 13 (Amplified Bible) "Therefore let the one who thinks he stands firm [immune to temptation, being overconfident and self-righteous], take care that he does not fall [into sin and condemnation]. No temptation [regardless of its source] has overtaken or enticed you that is not common to human experience [nor is any temptation unusual or beyond human resistance]; but God is faithful [to His word—He is compassionate and trustworthy], and He will not let you be tempted beyond your ability [to resist], but along with the temptation He [has in the past and is now and] will [always] provide the way out as well, so that you will be able to endure it [without yielding, and will overcome temptation with joy]."

*If God was the person who spoke this word to Evangelist/Pastor Barbara Lynch would this God be considered to have violated 1 Corinthians 10: 12 - 13? If this word is a violation of the scripture then it is not from God.*

*I don't think anyone in the remnant sits around collecting and counting hurts. Hurt is real but do those in the remnant put those hurts as badges of honor upon their holy garments and show them off to the world or do they count those hurts as nothing for the sake of being considered a servant of the Lord? I believe the latter. It appears that Evangelist/Pastor Barbara Lynch has been wounded in her spirit man and is licking her wounds. It's not wrong to lick your wounds but it is wrong to assume that everyone else is wounded like you are. This "prophecy" line about being wounded is probably a prophetic word from God to her personally. It's possible that God is telling on her. I don't know but to me this phraseology doesn't fit with the rest of the word. This word smells of fear, manipulation, and control.*

# Prophetic Confusion – Evangelist/Pastor Barbara Lynch

Christopher Gore

**The Gore's**

*There is no scriptural reference that can be found in the Bible for the christianese term "The Greater Glory". Evangelist/Pastor Barbara Lynch and the rest of the charismatic/prophetic church believe in something that it not scriptural. The glory that we will be partaking in will not occur until we leave this realm. It's something that we are working towards. There is no scripture that says it will manifest in this realm for us. The Church and Evangelist/Pastor Barbara Lynch have made up this lie.*

2 Corinthians 4: 16 - 18 (ESV) So we do not lose heart. Though our outer self is wasting away, our inner self is being renewed day by day. For this light momentary affliction is preparing for us an eternal weight of glory beyond all comparison, as we look not to the things that are seen but to the things that are unseen. For the things that are seen are transient, but the things that are unseen are eternal.

*The Word of God has answers for everything and all of the woes that are listed in this "prophetic utterance" by Evangelist/Pastor Barbara Lynch do not line up with the Word of God. This is not even a good attempt at prophecy. To further confuse matters Evangelist/Pastor Barbara gave another word on March 1, 2026. Let's take a look at this. See if you can spot any contradictions with the "prophetic word" that was given on March 3, 2026.*

## **Fresh Word #1 March 1, 2016 – Greater Glory- Evangelist Pastor Barbara**

**Never before in church history have I come in the Greater Glory. This era is distinct and marked by many miraculous signs and wonders. My Remnant ones will go deep into the heavenly realm, and they shall return like John with deep secrets to reveal to the church.**

### *My Thoughts...*

*Is she talking about herself or about God? It is unclear as to whom she is referring. Now she moves from talking about someone to talking about time. She says that this season that she is talking about is marked by miraculous signs and wonders. What signs is she talking about? I don't see any signs that have occurred. Am I missing something? How will the remnant ones go into the heavenly realm? Does she realize that John was boiled in oil because they were trying to kill him? She is trying to be deep and draw a prophetic parallel that I do not think people want to engage in. This type of love that John had for Jesus is still rare.*

**No more half-truths. It is a time for the full truth about what goes on in the Heavenly places. The dark side has been exploiting itself for long enough; now, heaven is going to show up in greater ways than ever before.**

### *My Thoughts...*

# Prophetic Confusion – Evangelist/Pastor Barbara Lynch

Christopher Gore

The Gore's

*What does this even mean? How do we get to the full truth? How can you Evangelist/Pastor Barbara Lynch get to the full truth when you do not preach the Word of God in your Church anymore? What does it mean for the dark side to exploit itself? When you say, "Heaven is going to show up in greater ways than ever before" what is the measurement device for knowing that it is greater than yesterday, greater than this morning, or greater than an hour ago? What does this mean? What scripture are you basing this unclear word from?*

**The Chosen Ones will do great and mighty exploits for the Kingdom of Light. This light will go forth, dispelling darkness, uncovering the hordes of hell's deception.**

*My Thoughts...*

*What are those great and mighty exploits? What do they entail? What does scripture say that they are? The word that she gave on March 3, contradicts this one. March 3rd said that, "**This is the time the enemy can either win or lose in your heart.**" If the darkness is being dispelled how is it possible that the enemy can win?*

**The greater battle is being fought. So much at stake. This Era is the Era of John the Baptist, preparing the way for the Second Coming of Jesus, My Son.**

*My Thoughts...*

*Evangelist/Pastor Barbara forgot that she declared a new dispensation in 2020 - {[click here](#) to see for yourself} and in 2021 - {[click here](#) to see for yourself}. There are many more but I think that I have made my point. It all sounds good but what is really the truth?*

**The church has never gone this way before. So much you will not understand, but as you move forward in faith, knowing I am with you, the signs, wonders, and miracles will proceed forth.**

*My Thoughts...*

*If you don't know this phrase "The Church has Never Gone This way Before" was started by Cindy Jacobs - {[Click here](#) to see what I am talking about} and you will see that Evangelist/Pastor Barbara Lynch cannot have an original thought or prophecy. It is always plagiarized from someone else. I don't understand what she is trying to prophesy to us. So, do we make the signs, wonders, and miracles happen or does God?*

**These Remnant ones that I will be using have been through the furnace of affliction over and over again. They have encountered the hordes of hell and won the battle. They know what it is to abound and to be abased. There were and will still be times of not knowing what to do next, but just moving forth in unadulterated faith, praising me through the storms that rage around about. [see Philippians 4:11-13 KJV] 11 Not that I speak in respect of want: for I have learned, in whatsoever state I am, therewith to be content. 12 I know both how to be abased, and I know how to abound: everywhere and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need. 13 I can do all things through Christ, which strengtheneth me.**

## My Thoughts...

*This completely contradicts her word from March 3, 2026. Her thought in her March 3, refer to the top of this article for a reminder.*

**I have been teaching the church to walk by faith and not by sight, but so few understand this process. Those who did not understand the process turned back to the swamp, destroying their walk with the light.**

## My Thoughts...

*Is this God or Evangelist/Pastor Barbara Lynch's thoughts. Is this the frustration of being a failed teacher. If God taught the Church anything do you think that the Church would get it? If God teaches you the process wouldn't you get it?*

*Jesus said this, "18 "Listen then to the [meaning of the] parable of the sower: 19 When anyone hears the word of the kingdom [regarding salvation] and does not understand and grasp it, the evil one comes and snatches away what was sown in his heart. This is the one on whom seed was sown beside the road. 20 The one on whom seed was sown on rocky ground, this is the one who hears the word and at once welcomes it with joy; 21 yet he has no [substantial] root in himself, but is only temporary, and when pressure or persecution comes because of the word, immediately he stumbles and falls away [abandoning the One who is the source of salvation]. 22 And the one on whom seed was sown among thorns, this is the one who hears the word, but the worries and distractions of the world and the deceitfulness [the superficial pleasures and delight] of riches choke the word, and it yields no fruit. 23 And the one on whom seed was sown on the good soil, this is the one who hears the word and understands and grasps it; he indeed bears fruit and yields, some a hundred times [as much as was sown], some sixty [times as much], and some thirty." Matthew 13: 18 - 23 (Amplified Bible)*

*My point, Jesus/God already knew that some people were not going to listen why would they need to point out that those who didn't understand would turn back to the swamp. So the swamp is a political term that was coined by President Trump. How is she making this a biblical reference to modern day Christianity? This makes no sense at all.*

**I warned that darkness would prevail all over the land, but at the same time, the light would shine forth, dispelling the darkness.**

## My Thoughts...

*So.... riddle me this! If God said that darkness would prevail over the land how is the light going to dispel the darkness? If darkness is prevailing that means that darkness is winning. If darkness is winning, does it make sense that light is getting rid of darkness or does it make sense that light is overcoming darkness? The two concepts do not go together.*

**Many had to go through different transitions to get where they are today. They had to, sometimes, walk in blind faith to reach this Greater Glory of My Spirit. They walked, and**

**now it is reward time. Now is the time when what I have spoken over them shall come to pass.**

My Thoughts...

*Isn't your walk with God about suffering? Don't you know this already? What's "prophetic" about this statement?*

**I promised My Remnant ones that 2026 would be a different year. You will enjoy this year, little ones. This is a promise I made before, and I am reiterating it again today. YOU ARE BLESSED AND NOT CURSED.**

My Thoughts...

*This sounds nice but according to Evangelist/Pastor Barbara Lynch God is schizophrenic. He promised blessings on March 1 but on March 3 He promised, "**A significant event is upon the church. Many will not survive this hour.**" When you think about this in her context 2026 will be different but what is "God" promising you, Blessing or Cursing. If you look at March 3, you are CURSED. If you look at March 1, you are BLESSED. This is confusion at best.*

**In Philippians 3:12, Paul states, "Not that I have already obtained all this, or have already been made perfect, but I press on to take hold of that for which Christ Jesus took hold of me." This reflects Paul's acknowledgment of his ongoing journey in faith and spiritual growth, emphasizing the importance of striving towards a deeper relationship with Christ and not becoming complacent in one's spiritual achievements.**

My Thoughts...

## Fresh Word #1 March 1, 2016 – Greater Glory– Evangelist Pastor Barbara

3 days ago by Admin

March 1, 2026 – Evangelist Pastor Barbara

Never before in church history have I come in the Greater Glory. This era is distinct and marked by many miraculous signs and wonders. My Remnant ones will go deep into the heavenly realm, and they shall return like John with deep secrets to reveal to the church.

No more half-truths. It is a time for the full truth about what goes on in the Heavenly places. The dark side has been exploiting itself for long enough; now, heaven is going to show up in greater ways than ever before.

The Chosen Ones will do great and mighty exploits for the Kingdom of Light. This light will go forth, dispelling darkness, uncovering the hordes of hell's deception.

The greater battle is being fought. So much at stake. This Era is the Era of John the Baptist, preparing the way for the Second Coming of Jesus, My Son.

The church has never gone this way before. So much you will not understand, but as you move forward in faith, knowing I am with you, the signs, wonders, and miracles will proceed forth.

These Remnant ones that I will be using have been through the furnace of affliction over and over again. They have encountered the hordes of hell and won the battle. They know what it is to abound and to be abased. There were and will still be times of not knowing what to do next, but just moving forth in unadulterated faith, praising me through the storms that rage around about. [see Philippians 4:11-13 KJV] 11 Not that I speak in respect of want: for I have learned, in whatsoever state I am, therewith to be content. 12 I know both how to be abased, and I know how to abound: everywhere and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need. 13 I can do all things through Christ, which strengtheneth me.

I have been teaching the church to walk by faith and not by sight, but so few understand this process. Those who did not understand the process turned back to the swamp, destroying their walk with the light.

I warned that darkness would prevail all over the land, but at the same time, the light would shine forth, dispelling the darkness.

Many had to go through different transitions to get where they are today. They had to, sometimes, walk in blind faith to reach this Greater Glory of My Spirit. They walked, and now it is reward time. Now is the time when what I have spoken over them shall come to pass.

I promised My Remnant ones that 2026 would be a different year. You will enjoy this year, little ones. This is a promise I made before, and I am reiterating it again today. YOU ARE BLESSED AND NOT CURSED.

## ***My Final Thought...***

*If you are looking for the deeper things, Evangelist/Pastor Barbara Lynch is not spiritually equipped to provide those things for you. There is a level of confusion and mixture that cannot be ignored. One should use caution when engaging in anything that she puts out knowing that it will be filled with contradictions, misinterpretations, and biblical principles being made up or taken completely out of context. Be warned and be aware of what you are dealing with.*
