

The System Does not Love you!

Christopher Gore

The Gore's

I continue to be amazed at how those who love the system despite being devoured by it will run to the system for aid and comfort. They will run to the system to defend it. I posted a story about Dale Mast (Fake Prophet & Apostle from Jireh Christian Center and Destiny Church) being interviewed on the "We Need to Talk" Podcast. See the show [here](#) or (<https://youtu.be/xnOXAkbelow?si=gQEDssYXFEeggx0o>).

Someone that I tried to help in the past decided that she was going to be slick and request help from Dale Mast (The System). Did that help come? It did not. What could Ruthie possibly be thinking? Did she think that Dale Mast was going to come on to the post and say, I did not abandon and orphan my spiritual children? Did she think Dale Mast was going to chastise for telling the truth about his story of abandonment and neglect of God's sheep?

Below is the account of the exchange between me and Ruthie Robinson. I am posting this because I want you to see a very defined truth. The system does not love you. You can love it but it does not love you. I wish that I could say I felt bad about this exchange between me and Ruthie Robinson but it's been coming. She has had aught against me and my wife for awhile now. There is some perceived debt that we owe her. It's beyond me but what I do know is Ruthie likes attention.

Ruthie signifies what is wrong with the system today. The system abuses people and then tells them to shut up about it. The system tells the victims to forgive because you will feel better if you forgive. Here is an important nugget for you. Ruthie signifies what some of the members in the Body of Christ do. They love the system even though it hurts them. They defend the system even though the system could care less about them. Hopefully Ruthie will learn from this. I doubt it.

And now the post...

It's amazing to me that this man can abandon a church (Jireh - Destiny) that he created in the name of God told him to do it.

This same man abandoned the children/people that he was a pastor over and left them with nothing. Is this the definition of what it means to be a father in the spirit? Is this the definition of what it means to be an apostle? Is this the definition of what it means to be called a shepherd of the sheep?

Something stinks about this whole situation. Say what you will about me, what he did not do spoke volumes to me about how prophetic he really is. He shut his church down, showed no concern about the people who gave their blood, sweat, and tears to support him but he gets to be the hero and pretend he is a great person in God. Smh.

He may not have done what Evangelist Pastor Barbara Lynch did by leading a cult but the damage is just the same. He led these people astray. He gave them false hope that he was gonna be there. He didn't even have the common decency to set up another church when he decided to retire aka go out on the road to evangelize.

Anybody know where the members are at now? Are they even going to church anywhere? He still owns the building. Smh. Is he allowing them to have services in God's building?

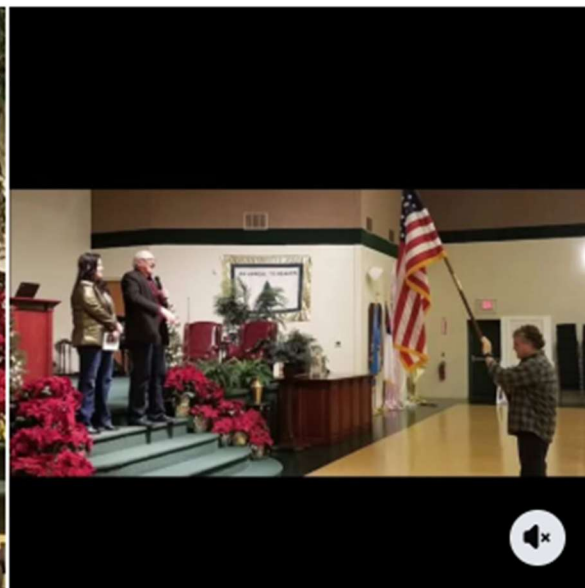

I celebrate the great prophetic stupidity of this man. I feel sorry for the people who are/were deceived by his lies.

Apostle/Prophet Dale Mast being promoted as someone who hears the voice of God is assanine. This is the dumbest thing I have seen since Barbara Lynch said she was no longer going to preach the word of God at her church. Long live the cults.

You can drink the kool-aid if you want to, I refuse. We need to talk podcast platforms some real losers. Dale Mast is one of them.

Destiny Christian Church, LuAnne Lent Mast, Dale Mast Rebuttal?

I have been to their church a few times & have watched his podcasts. So I figured if you're going to speak out about them they should have an opportunity to respond.

Ruth Robinson I would love and welcome a response from them and their former members. Let the light shine on the darkness. Truth has been waiting!

Ruth Robinson ...Then they called on the name of Baal from morning until noon, saying, "O Baal, answer us." But there was no voice. No one answered. They jumped and danced around the altar they had made. 27 At noon Elijah made fun of them. He said, "Call out with a loud voice, for he is a god. It might be that he is in deep thought or has turned away. He could be away traveling. Or it may be that he is asleep and needs to have someone wake him." (1 Kings 18: 26b -27).

Ruth Robinson I have a lot of stones to throw, and I will continue to throw them.

It's interesting to me, Ruth, that you have not learned anything after your exodus from the Lighthouse Inc., Church cult. You were abused and severely mistreated by the system that supported the Lighthouse Inc., Church cult. You have offense against me because I was a part of that system. You blame me for wrongdoing because of the things that were done to you in that system. I have apologized to you in person and online. None of this has made a difference to you. None of this has caused you to change and reflect upon the errors of the system. You claim that you are healed from this situation and better because of it. Your post appealing to the Mast? And Destiny Church (bad leaders) for support and comfort is telling.

When will you learn that the system is the system? When will you learn that the system does not care about you or the sheep that it destroys? The system only cares about the system. Look down in the comments from this post. There is an Elihu working to protect the system. This Elihu was harmed by the system at Destiny but she still seeks to protect that system. I will not be protecting the system and those who support it. The system did not come from God. I will continue to throw stones at the system and at those who seek to protect it. It's honorable that you and others have loyalty to the system. What is the system doing for you? How much more pain do you want to endure from the system?

For all who are throwing stones at me because I am throwing stones at the system. Please keep throwing your stones. It is not going to make me stop throwing mine. I have a big pile. I have only just begun. The system that has harmed many people needs to be dismantled. Listen very carefully to what I am saying. Your points about forgiveness and letting go of my bitterness against the system will be ignored by me.

Christopher A. Gore wow I haven't learned anything from my exodus. You truly are bold to tell me that I have not learned anything from my exodus. We haven't spoken in some time now. You don't see me, or know me at this time well enough to say I didn't learn anything from my exodus from the cult church. And I agree you were a part of that system and you too hurt & broke a lot of people who walked through those doors. You too falsely prophesied and protected a leader that you knew was corrupt for years before I even step foot into that church.

Throwing stones? I don't need to throw stones but if I don't have all the information to form my OWN opinion on a matter, GUESS WHAT? I'm going to seek it out!!! Truth will wait. I don't wait, I SEEK OUT THE TRUTH.

Offended at you? No don't put your offense on me, your bitterness on me, your unforgiveness on me. I'm good over here.

One scripture I'm going throw at you... "Touch not my anointed & do my prophets no harm."

You're on a rampage to destroy every ministry that you can. So be it that's on you, not me. Seems like vengeance to me. And with that said I see where you and I stand & I now know exactly what you think of me.

Ruth Robinson so my question to you is why aren't you healed and prospering? Why aren't you in a better place? It's simple it's obvious. You don't want to be. You like the attention that you get from being a victim. It's your choice to do this. It doesn't make sense to me but it's not my life, it's yours

100% I gave false prophecies. 100% I defended the system. But guess what? My eyes are opened to the wrong that I have done. I have confessed and repented but from you I get no forgiveness. I don't want forgiveness from you because I don't answer to you. I will continue in my quest to throw stones at a system that is broken. I will continue to throw stones at those who defend the system. Why?

Why? Why am I doing this because I was a part of the system that harmed so many people. I acknowledge my dirt. I acknowledge my uncleanness. I have learned something from my experience. You on the other hand truly have not. Truth will continue to wait for you. Why on earth would you appeal to the system for relief? Did they come and rescue you? Did you get an apology from Barbara Lynch? Did you get an apology from Alan Farkas? Did you get an apology from Barbara Allsopp? Who gave you multiple apologies? Who sought to help you heal? It wasn't Barbara Lynch, It wasn't Alan Farkas, It wasn't Barbara Allsopp? It was me. I reached out to you to make amends. I can't make you heal. I have no power to do that. What I can

The System Does not Love you!

The Gore's

do is throw these stones in hopes that other people will see and learn from my mistakes. In hopes that the system that you so love and honor will be shut down.

Are you really seeking the truth? What have you learned? I see no evidence of you learning anything. Do you still want a prophecy? Do you still need the system to make you feel good? Wake up! Wake up out of the delusion that you are in. I did. I woke up. I was wrong. I have said that. Truth wil wait!

Christopher A. Gore you are beyond disrespectful. I'll let God deal with you. You're just as bad as all those names you mentioned. The same ones who ridiculed me in emails, which I'm sure you were a part of. You're doing that to me right here on this post.

Christopher, you don't know me at all. Never did. And you have no idea how my life is going. I don't need those people or you to apologize to me, to ask me for forgiveness or make amends because I FORGAVE so I could heal. I forgave because that's what God would want me to do. I don't need anything from any of you.

You're a sad, miserable soul.

Ruth Robinson so does this mean you are not going to answer my questions? Did you get those apologies you were seeking and desiring? Why aren't you healed? You can pretend that you are but you aren't. Dale and his ministry are prospering because he abandoned his sheep. It's simple math. People want a prophecy. Dale gives prophecies so he is prospering. He can do and say whatever he wants and the system will protect him. You are protecting Dale. I hope you get what you want. You are not going to get what you want but I hope you do. I know how your life is going because you jumped up to protect someone who is wrong. That's all I need to see.

The Conclusion...

The System Does not Love you!

The Gore's

As of the time of this posting, I can say one thing for sure Ruthie Robinson still has not learned anything. Dale Mast has never given an account of what he has done at Ruthie's request for rebuttal. The only thing that has occurred is that the system has been allowed to survive at the request of Ruthie Robinson. No one wins in this scenario.

Selah!
